How The [Best Lottery Syndicate](#) Works
YouPlayWePlay [Syndicate Questions](#)

They are not a set and forget establishment like the other two are trying to achieve on some levels, the YouPlayWePlay website is really interactive, they have managed to create a fun and friendly environment that you would and should really expect from a [lottery syndicate](#) online with today's website technology.

They make constant updates to their websites, they have recently added a new fun game and keep their creative's up to date, they chat online to their members and for those interested and who already run syndicates at work or for charities etc provide a platform for syndicate managers to easily bring their team over should they wish to.

You will even be able to make your own lottery syndicate blog and keep in touch with your syndicate team and friends.

Best Lottery Syndicate Highlights

Having to pay a subscription is not for everyone and some would consider what you get for what you pay for with lovemylotto or Big Fat Lottos in this said economic crisis is perhaps a little expensive.

With YouPlayWePlay customers are provided with number of options to enter the Euromillions, UK Lottery and Thunderball Lotto which are not subjected to a monthly subscription, and works almost identical to syndicates you may already have encountered.

1. You can select you own personal favorite or lucky lotto numbers "This is quite important to many players" or use a random selector.
2. You can play as many or little entries as you like.
3. You can choose to play for 50 consecutive draws and the days you wish to play, so if it is on the Friday Euromillions you wish to play for 50 draws then that is your choice.
4. Setting up a monthly subscriptions is much cheaper with more chances to win than other syndicates online.

5. They have a free game for anybody to play and the chance to win £1000 – [Grab A Grand](#)
6. They provide a syndicate winners page with how much an individual has won.
